Re: **Garry Tomporowski Architect Ltd. – Letter of Reference**

Dear Sir/Madam,

Talus Management Group Ltd. partnered with Garry Tomporowski Architect Ltd. (GTA) for the land rezoning application and facility design of a 57,000 sq.ft, 64 unit seniors independent living facility in Salmon Arm, BC. These exercises required the patience and diligence of an experienced Architectural firm as to mitigate any unnecessary costs while understanding and satisfying both our mandates along with the local municipalities. GTA's team exceeded Talus's expectations in achieving these goals in a professional manner.

Talus Management Group Ltd. would recommend GTA for future developments and we look forward to continue our relationship with GTA into the future.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joseph Schlachter", written in a cursive style.
